

Fees for Therapy Services

The fee for in-person, online or telephone appointments is \$150.00 per 50-minute session (individual or couple). Payment is required at time of appointment/service by e-transfer, cash, debit (in-person appointments only) or credit card.

Late Arrival, Cancellations and No-Show Appointments

Forty-eight hours' notice during business hours, (Friday for Monday appointments), is required to cancel or reschedule a therapy appointment. Cancellations less than 48 hours' notice and no shows will be charged to the credit card provided below.

Exceptions to this policy may be made for a documented serious medical emergency or serious immediate family emergency. If late arrival, the appointment cannot be extended, and the full fee applies.
